DETAILED ACTION

Allowable Subject Matter

1. Claims 2-3,5-6,8-12 allowed.

The following is an examiner's statement of reasons for allowance: The present invention is directed to a mobile communication system, and more particularly to a mobile communication system for switching communication channels between base stations covering respective communication areas as a mobile station moves between the communication areas. Prior art fails to teach mobile switching centers for when intra-system hand-off control process is requested, therein selecting a mobile switching center in the home system which has a communication channel connected to the other system mobile switching center, and performing a hand-off control process between itself and the selected mobile switching center.

Conclusion

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
